

# Welcome to State of Green

Presenter:  
Emma Askov  
Bioenergy, PtX, and CCUS

# Agenda

Overview of Denmark's green transition

Lessons learned in building competitive green industries

State of Green's role in strengthening Denmark's green ecosystem

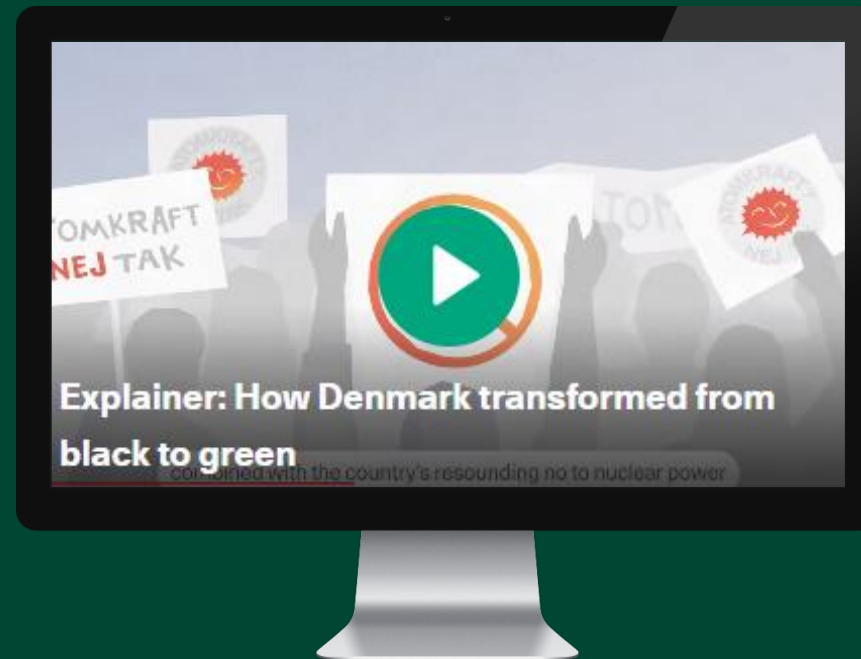

# Denmark's green transition

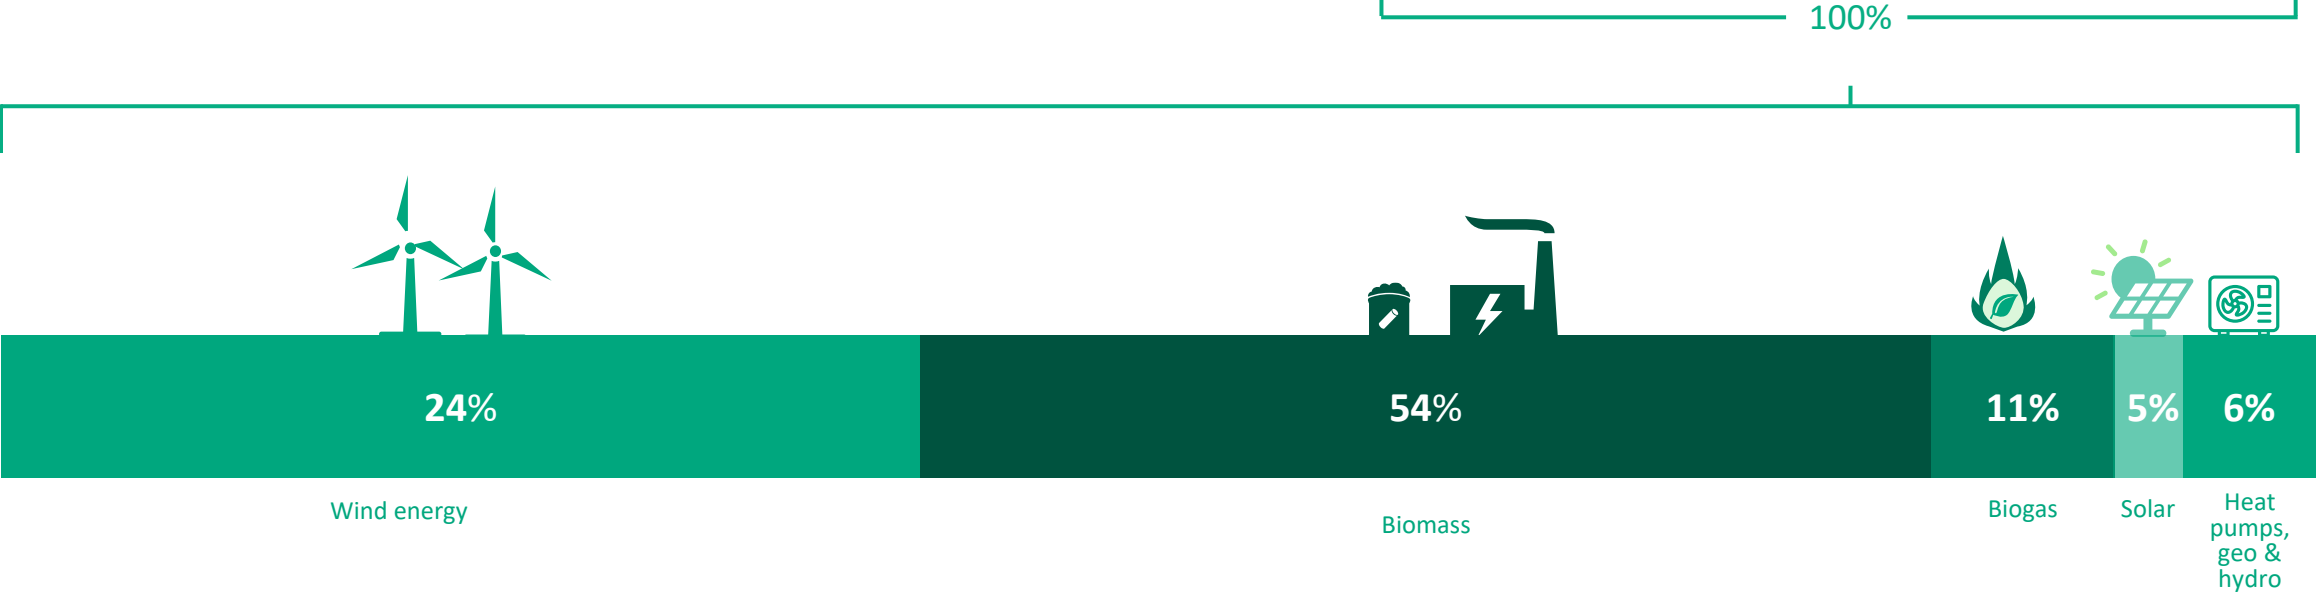

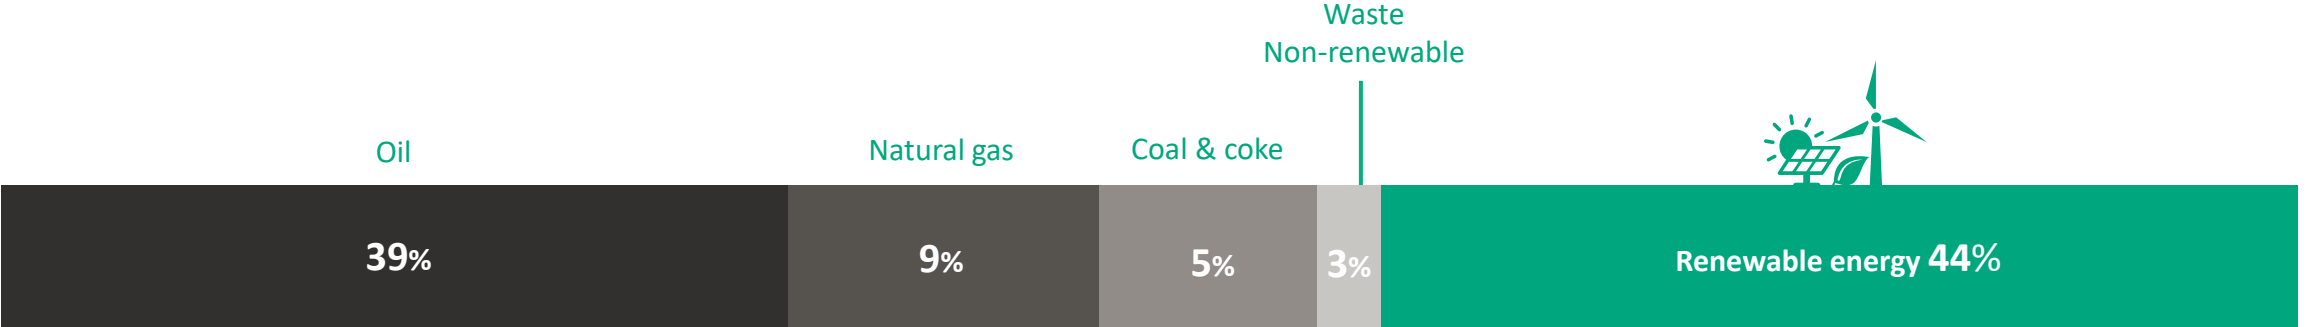

**Denmark's green transition didn't come by itself**

**It took 50 years of hard work**

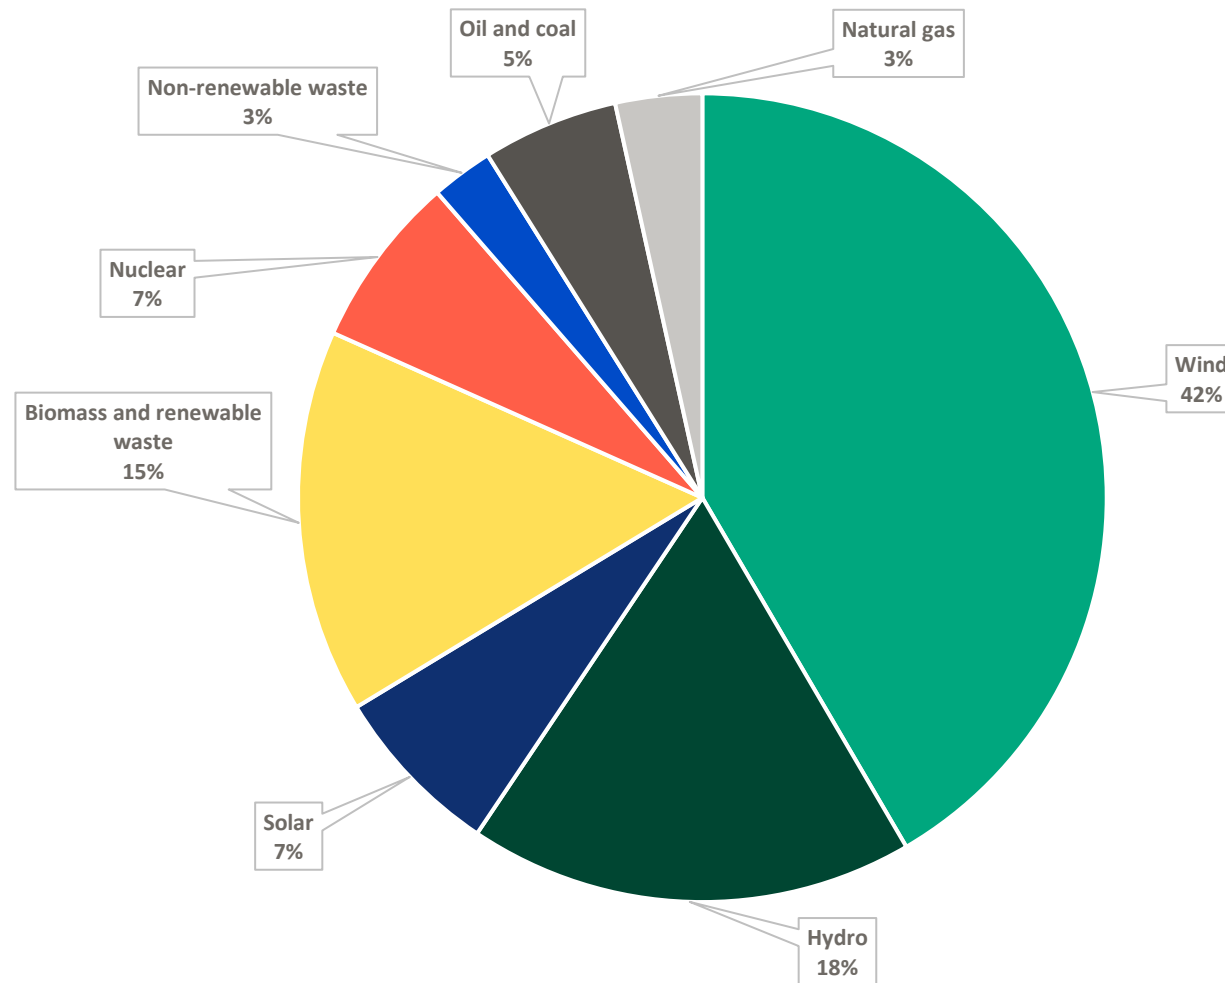

Watch the video explaining  
how Denmark transformed from black to green

**What have we learnt?**

# Denmark is a small country. We emit 0.1% of the global greenhouse gases

Denmark

0.1%

**Denmark is a small country.  
We emit 0.1% of the global greenhouse gases**

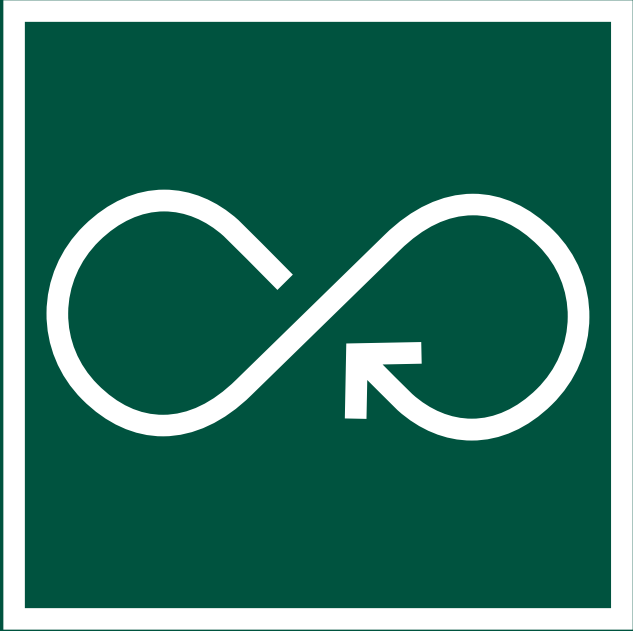

# Green transition enablers

1970s

<p>Financing</p> 	<p>Broad political agreements</p> 
<p>Public-private partnerships</p> 	<p>Just transition</p> 
<p>Societal collaboration</p> 	<p>Research and development</p> 

2020s

## Green business is good business (2024)

0%

of total Danish exports come from  
green technologies alone

+107,000

green jobs

5.5%

of GDP

41 billion

euro in turnover

**STATE  
OF  
GREEN**

# Public-private partnership

Public

Private

## Government

## Business organisations

## Strategic partners

## Associate partners

# We have specialised our knowledge and solutions

## Who we work with

Public decision-makers

Private decision-makers

## How we do it

### Inspire

Branding, communication, marketing & press-related activities

### Engage

International and national (online & in-person), expos, conferences, round table

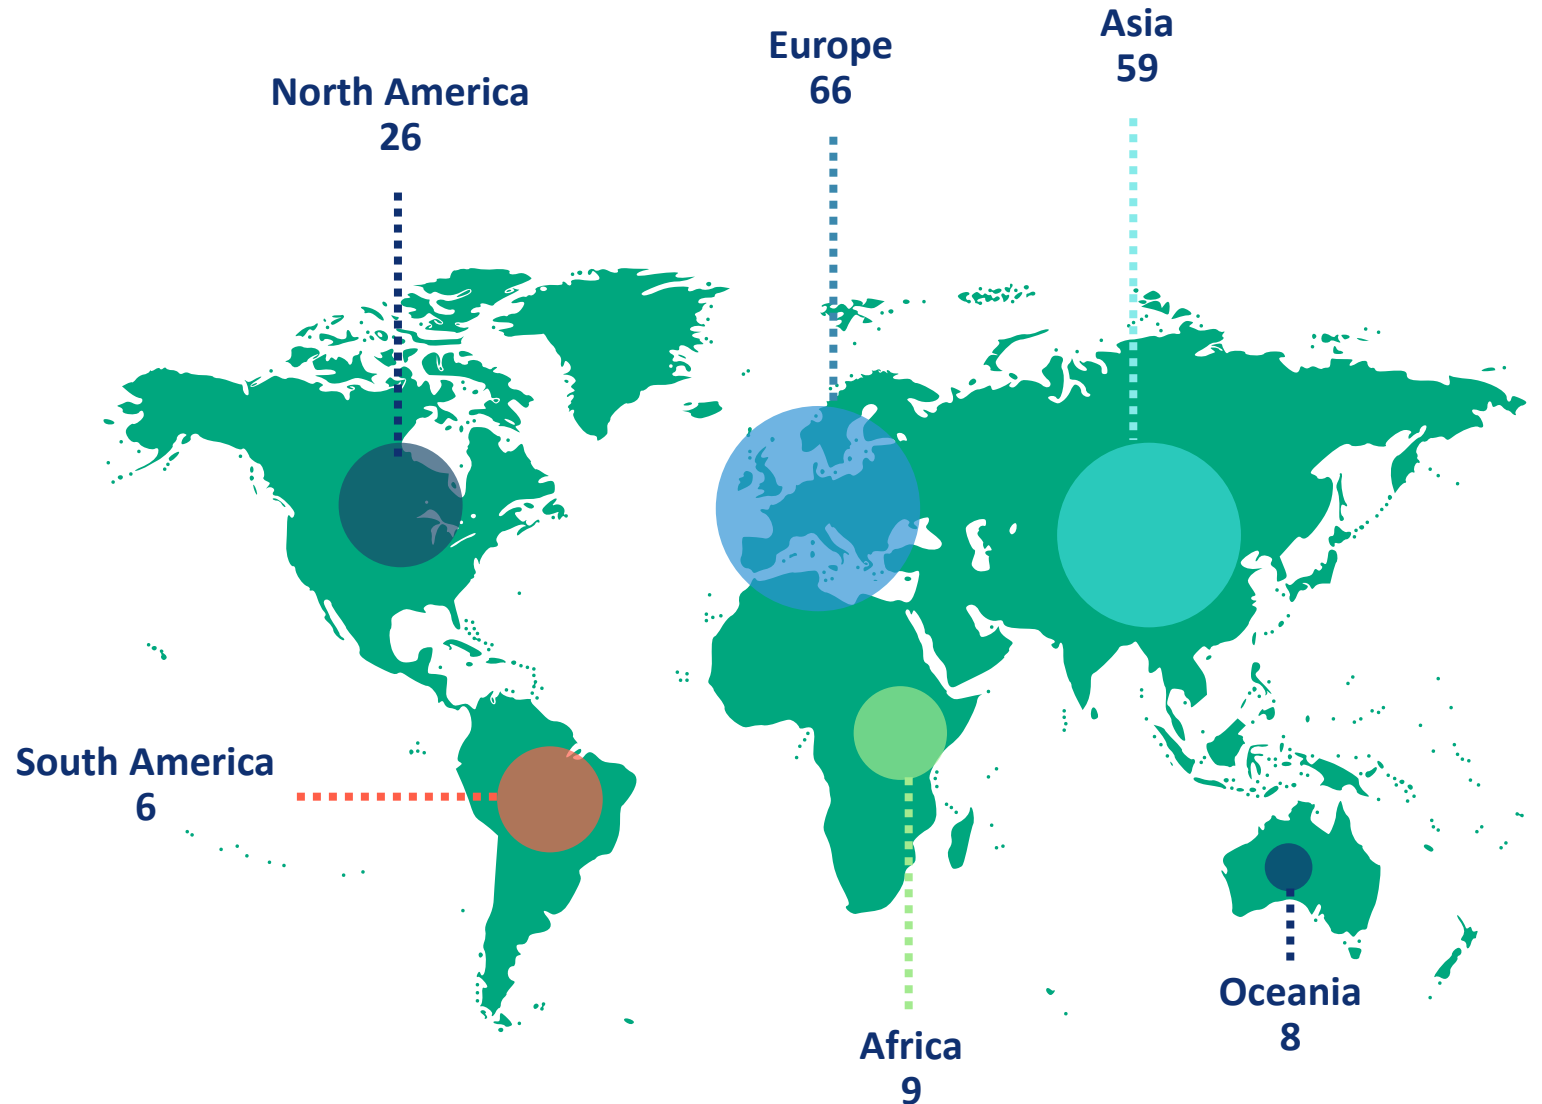

### Connect

Delegation visits, partnerships, workshops

# Our global impact

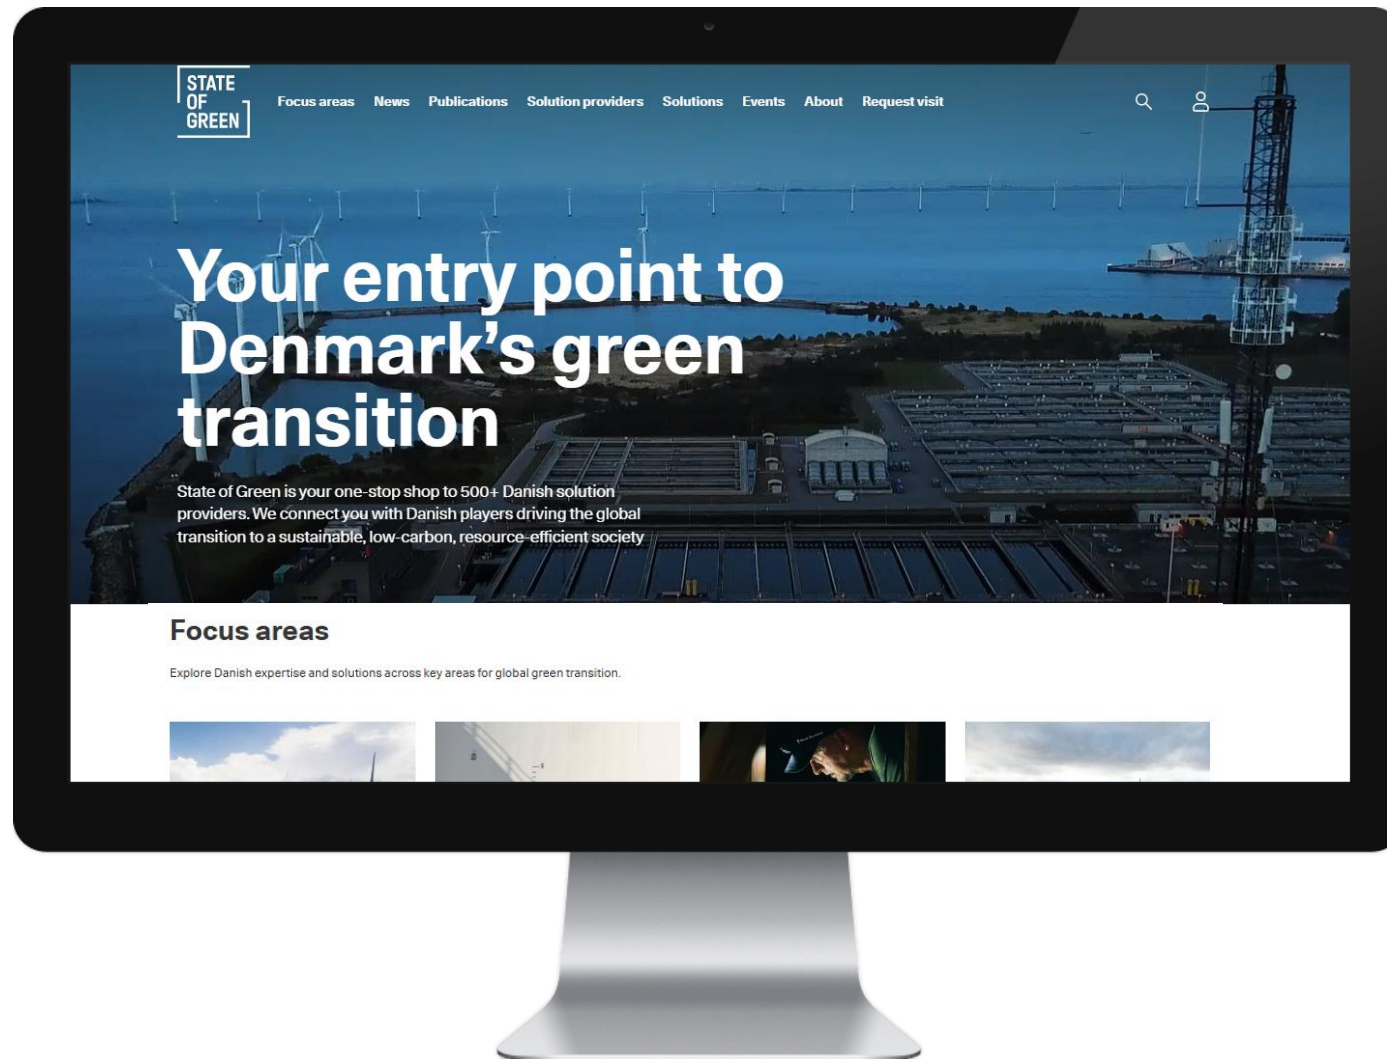

Every year, State of Green welcomes hundreds of delegations from all over the world at House of Green and engages international decision makers through online and in-person events.

In 2025, State of Green welcomed more than 174 delegations at House of Green.

# Your one-point entry to Danish green solutions

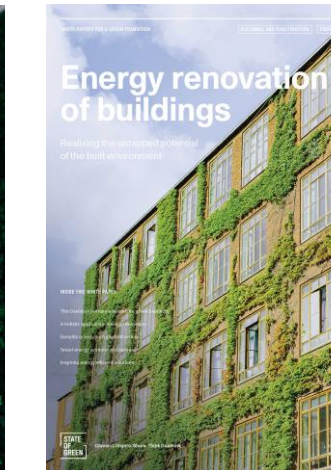

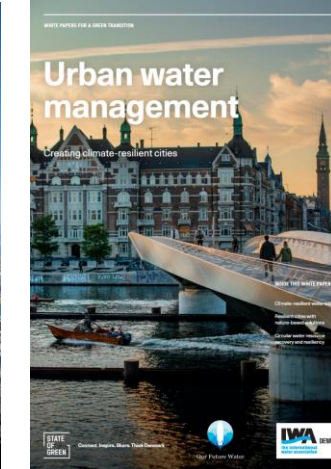

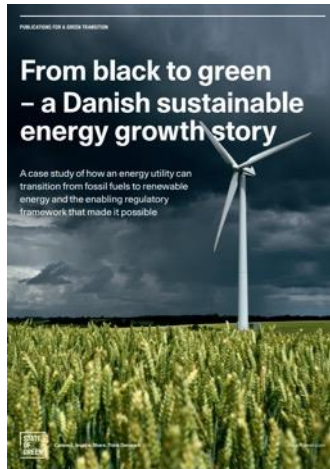

**+600**  
solution providers

**+1,700**  
sustainable solutions

# White papers for a green transition

An aerial, top-down view of two construction workers on a white metal platform or scaffolding structure. The workers are wearing orange hard hats and high-visibility vests. They are standing on a white metal surface with black railings, surrounded by dark blue, choppy water. The perspective is from directly above, looking down at the workers.

Thank you for your time
